

Declaration of Carriage of Firearms in Baggage

It is permissible to transport your personal firearm on Air Belgium only as checked baggage provided the weapon is:

- 1) Declared to Air Belgium
- 2) Unloaded
- 3) Packed and locked in a hard side container or hard side suitcase
- 4) Ammunition must be placed in checked in baggage. Small amounts (maximum 5kg) may be shipped in packages in accordance to the IATA Dangerous Goods Regulations
- 5) Local law/regulations, also on transit stops, are obeyed, and all permits are made available for inspection.
- 6) The transport is approved by the Air Belgium Security Department via this form

Having declared to the carrier that the above conditions have been met, I request air transport of
a Shotgun - Rifle - Pistol - or _____
(circle the correct weapon) (please specify)
